

Welcome

to OnPath Credit Union

*You know the **why**. We know the **way**.™*

Dear Valued Members,

As we conclude the merger between Louisiana Federal Credit Union and OnPath Credit Union, I want to express my sincere gratitude for your unwavering support throughout this process. Your patience and understanding have been invaluable as the entire credit union team worked to combine our institutions and create a stronger, more comprehensive financial partner for you. The final phase of our merger involves transitioning to a unified banking system, including online, mobile, and telephone platforms.

To help you navigate this transition, we've prepared a comprehensive welcome guide tailored for both legacy OnPath members and legacy Louisiana Federal members.

This kit includes:

- Essential information about your accounts and loans: Details on account numbers, direct deposit information, balances, and any changes that will happen.
- Guidance on accessing our new suite of Digital Services: An overview of how to access our new Online Banking and Mobile App, as well as our new telephone system and other services that will be now available to you.
- Answers to frequently asked questions: Addressing common concerns and providing clear guidance on this transition.

We encourage you to review this guide carefully. It will be helpful during these initial stages and provide you with the resources you need to make the most of your membership.

On behalf of the entire OnPath Credit Union team and Board of Directors, we express our gratitude for your membership. We are dedicated to building upon the strong foundation of both institutions to deliver a better credit union for you and your family.

Sincerely,

Jared Freeman
President & CEO

Things to know about your account transition

We're here to guide you through the transition. This information will help make the merger process smooth and straightforward.

Before May 20, 2025:

- Ensure that your mailing address, phone number and email address are current and up-to-date.
- Log into Online Banking and download your account history or print your most recent e-statements. Our new Online Banking platform will bring in only one year of history.
- If you are a legacy OnPath Member print any check copies from Online Banking (if needed).

After June 3, 2025:

- Log into the NEW OnPath Mobile app or Online Banking platform via BeOnPath.org
- Check your BillPay enrollment and scheduled recurring transfers for accuracy (if applicable to you).
- If you currently have a VISA® product, keep an eye out for communication on a NEW OnPath Mastercard® Debit Card or OnPath Mastercard® Credit Card.

Account Number

Most of the Louisiana Federal and OnPath Credit Union account numbers will remain the same. **Only some OnPath members will get new account numbers.** If you didn't get a letter about your account number changing, your number stays the same.

If you got a letter with a new account number:

- You'll need it for the new telephone banking system and for any future direct deposits or withdrawals. Your current direct deposits and withdrawals will automatically post in your new account. You may keep using your current book of checks until they run out. Future checks will need the new account number.
- You can find your new number on the letter, walk into any branch with your ID, or by calling (504) 733-7274 (after security verification).
